JACK

McCONAGHY 75

introduction

Introducing Jack - a lightweight, eco-friendly cruising multihull. Jack is an McConaghy 75 (MC75) engineered for smooth sailing performance, combining stability and speed. With a predicted speed of 21 knots utilising a code zero sail in 20 knots of wind at a 110-degree true wind angle, she excels in various conditions.

Inside, Jack offers an architectural design akin to that of an apartment, fostering a sophisticated atmosphere. The interior design prioritises both aesthetics and functionality, ensuring a seamless integration of essential amenities.

Featuring fully retractable windows and floor-to-ceiling glass, the interior creates an expansive sense of freedom, seamlessly merging the indoor and outdoor spaces. The layout maximises internal volume, redefining conventional expectations of yacht interiors.

The MC75 boasts a spacious saloon lounge with a dining area and bar, an ample aft deck for outdoor lounging and dining, and cushioned sun pads forward of the superstructure. Accommodations include five en suite berths with seaward-facing views and a crew cabin located adjacent to the galley in the port hull.

LV YACHTING

CRUISING YACHT CHARTER

Cruising Yacht Charter gives you the opportunity to sail on some amazing yachts. You decide on the pace of the trip, where you go and how much you want to get involved - You can take the helm or sit back and watch the world go by.

As with our racing yacht charter LV offers the highest standard of personal service with tailored itineraries based on your needs and yachts available. Each yacht charter is run by its own captain and crew, with everything you need to enjoy a personal, exclusive and amazing holiday.

We offer a smaller selection of yachts, allowing us to have an in-depth knowledge of the boats in our fleet and cruising locations. Focusing on quality over quantity and by listening to your requirements, we can tailor the experience to you.

We offer cruising yacht charters in the Caribbean, Mediterranean, US East Coast and the United Kingdom. It is a great way to sail, relax and enjoy unforgettable adventures with family and friends.

THE TEAM

LUCY

OWNER / CHARTER BROKER

Lucy's energy and enthusiasm have kept people coming back time and time again. She is an accomplished inshore and offshore racing skipper. Lucy started in the sailing industry by owning and running Northern Child, a Swan 51, for racing and cruising charters in the UK and Caribbean. This developed into LV Yachting offering worldwide race charter packages.

ABI & ELLIE

Lucy is supported by a growing team who work together to deliver the best possible charter experience. From the point of booking, Abi and Ellie work with you to provide logistical support, book flights, accommodation and any other assistance you require to deliver a first class experience.
