

WILD PILGRIM
SUN FAST 3300

FOR SALE
£240,000 (VAT PAID)

A photograph of a sailboat on the water at sunset. The sun is low on the horizon, creating a golden glow over the sea. The boat's deck and rigging are visible in the foreground. In the background, a dark cliff or coastline is silhouetted against the sky.

WILD PILGRIM

SUN FAST 3300

A Dream Racing Machine!

The Sun Fast 3300, a collaboration between designer Daniel Andrieu and renowned naval architect Guillaume Verdier, stands as a versatile racing yacht perfect for solo, double-handed offshore competition, or fully-crewed races inshore and offshore.

Featuring twin rudders for stability at steep angles and a sail plan designed for both power and efficiency, this yacht is built for competitive racing. The hull, constructed with vinylester and a balsa core, boasts a moderate wedge shape to minimise drag and optimise the centre of gravity, resulting in a light, fast, and highly responsive vessel.

Introducing Wild Pilgrim, an exceptionally maintained Sun Fast 3300 optimised for both inshore and offshore racing. With a proven race pedigree and numerous line honours and overall class wins in recent UK events, Wild Pilgrim is one of the finest examples of this model available. This sale comes from an owner upgrading to a Class 40. There is also the option to purchase with a 10' container in Hamble Yacht Services, professional race support and charter potential.

If your dreams include short-handed or single-handed offshore sailing, this boat is the ideal vessel to bring those dreams to life. Equally adept at racing with friends between adventures, Wild Pilgrim offers unparalleled versatility and performance.
