## SWAN 82

### introduction

Stella, a Swan 82FD was designed by German Frers and is recognised around the world as one of the greatest performance cruising yachts ever conceived. She is an iconic yacht that offers exhilarating sailing whilst not compromising on comfort and luxury.

Stella, formerly Grey Goose, has been rigorously maintained by both her previous and now her current owner to keep pace with the latests advances in technology. In the winter of 2023/2024, Stella underwent a comprehensive refit in the Swan Service Centre in Badalona with upgrades that included: a new teak deck, repainting of the hull in navy blue, full rig service, all new sails and all electronics replaced and upgraded. Stella now has a modern, contemporary feel, comparable to the very latest generation of Swan yachts.

Compared to her sister ships, Stella out performs them. A replacement rudder and keel brought down the centre of gravity, improved acceleration and pointing ability, balancing her perfectly in the water. In 2016 a replacement Hall Spars high modulus carbon fibre mast added strength and reduced the weight aloft increasing the righting moment and improving the overall performance.

Whilst many of the upgrades were made to improve the performance, most of them also serve to enhance the cruising experience by reducing pitching, better acceleration and easier handling.

*This Swan 82 epitomises what is in Nautor Swan's DNA: reliability, sailing performance, sea worthiness, elegance and luxury.*

# LV YACHTING

## CRUISING YACHT CHARTER

Cruising Yacht Charter gives you the opportunity to sail on some amazing yachts. You decide on the pace of the trip, where you go and how much you want to get involved - You can take the helm or sit back and watch the world go by.

As with our racing yacht charter LV offers the highest standard of personal service with tailored itineraries based on your needs and yachts available. Each yacht charter is run by its own captain and crew, with everything you need to enjoy a personal, exclusive and amazing holiday.

We offer a smaller selection of yachts, allowing us to have an in-depth knowledge of the boats in our fleet and cruising locations. Focusing on quality over quantity and by listening to your requirements, we can tailor the experience to you.

We offer cruising yacht charters in the Caribbean, Mediterranean, US East Coast and the United Kingdom. It is a great way to sail, relax and enjoy unforgettable adventures with family and friends.

# THE TEAM

## LUCY

Lucy's energy and enthusiasm have kept people coming back time and time again. She is an accomplished inshore and offshore racing skipper. Lucy started in the sailing industry by owning and running Northern Child, a Swan 51, for racing and cruising charters in the UK and Caribbean. This developed into LV Yachting offering worldwide race charter packages.

Lucy is supported by a growing team who work together to deliver the best possible charter experience. From the point of booking, Abi will work with you to provide logistical support, book flights, accommodation and any other assistance you require to deliver a first class experience.
