BESPOKE SAILING EXPERIENCES

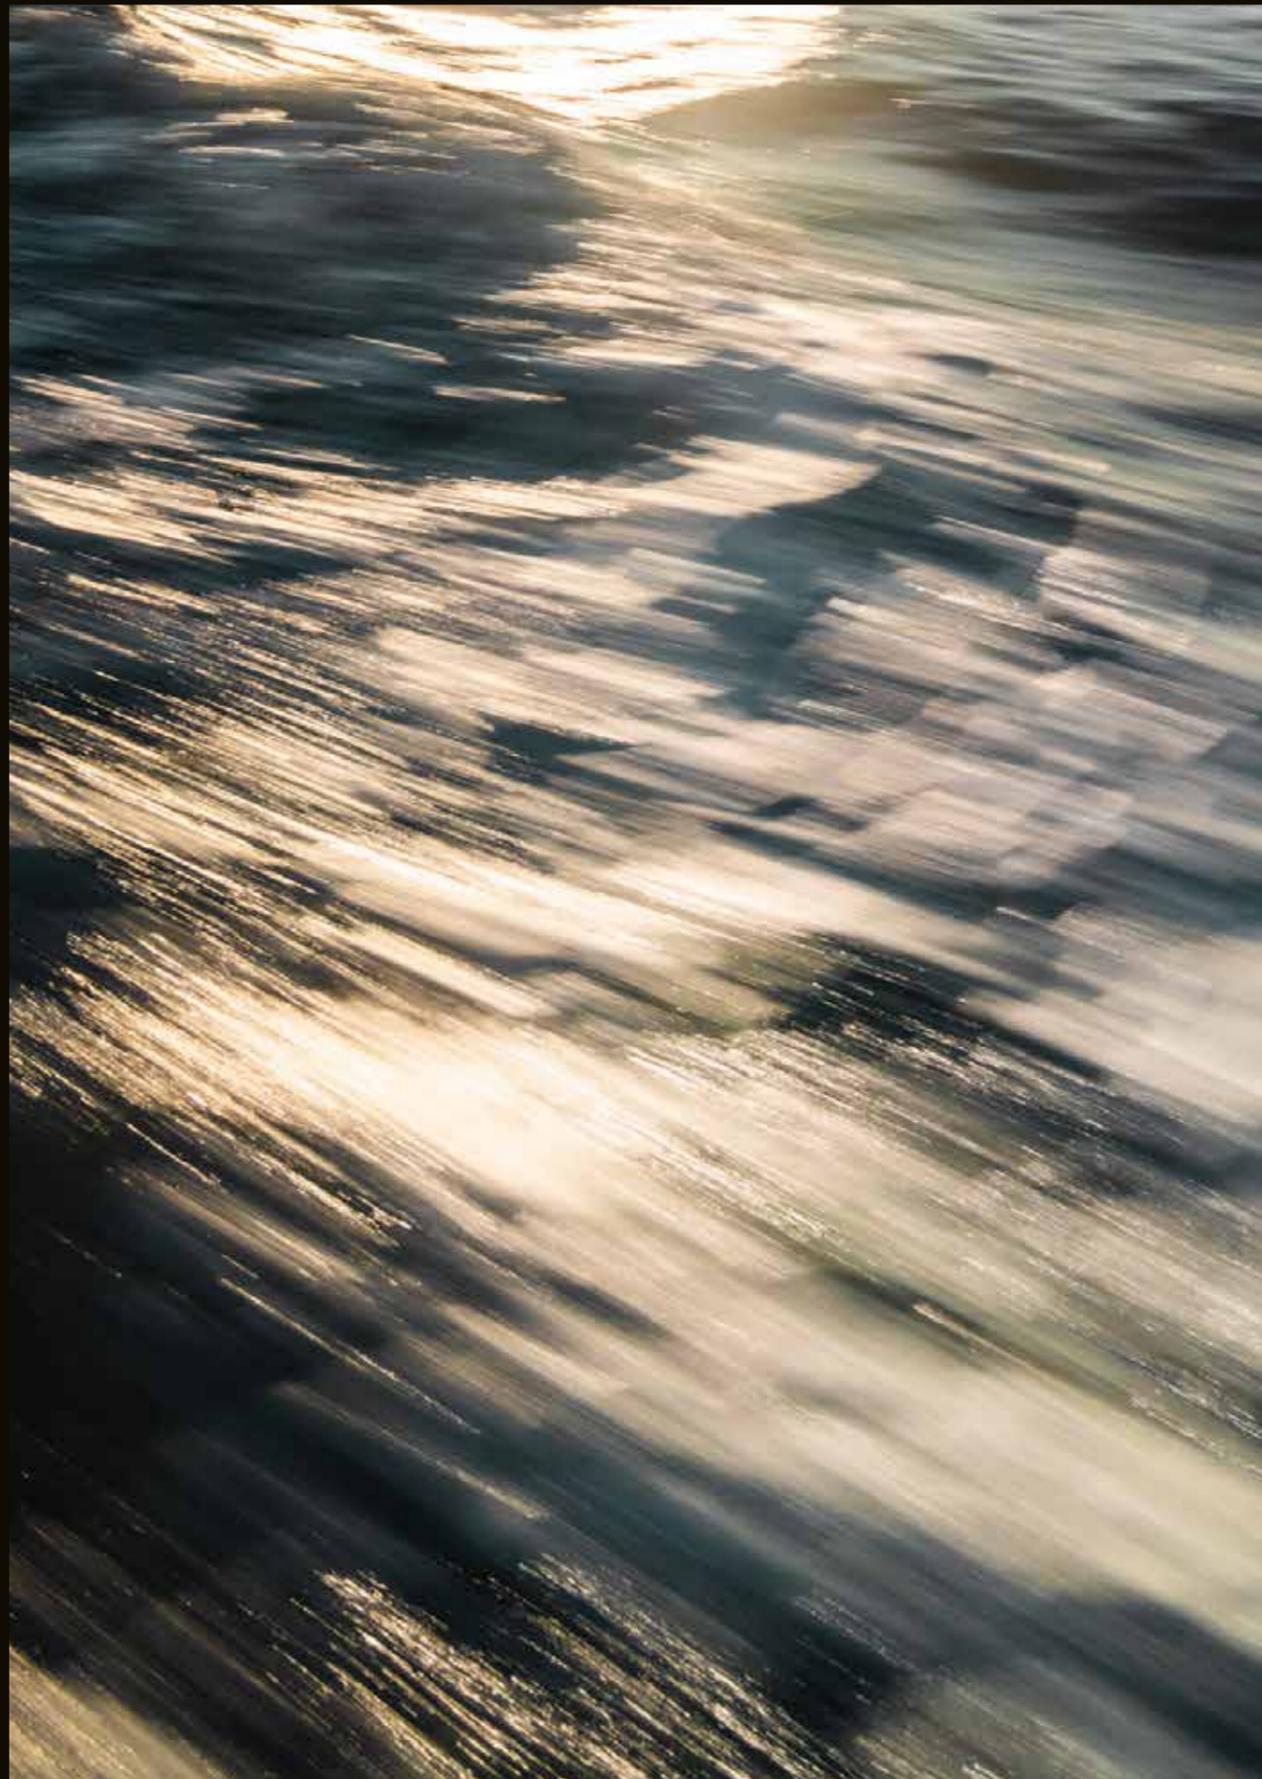

and in an instant
the heart is gripped
by awe of the sky
the sea and the beauty.

WALLY VANTANERA

Wake up in a silent turquoise bay.
Coffee on deck. Warm breeze.
No schedule but your own.

Vantanera is a 30.6-meter Wally sailing superyacht built for exactly that kind of freedom. Effortless cruising in refined, understated luxury. Expansive deck spaces, elegant interiors, and a world-class crew who anticipate every detail.

Time slows down.
Life feels lighter.

And then – if you want – everything changes.

Beneath her sleek lines lies pure carbon-fiber performance. Sailed by Ocean Race veterans and equipped with a full racing wardrobe, she is the world's only Wally sailing superyacht available for regatta charter. At the push of a decision, she transforms from a serene luxury cruiser to high-performance raceyacht.

Champagne at anchor.
Adrenaline at 20 knots.

Entirely your choice.

Two worlds. Same yacht. No compromises.

Welcome aboard!
