

ZEE DRAAK NED70

WHY EVERY RACE TEAM SHOULD CHARTER ZEE DRAAK

ZEE DRAAK NED70

In the world of competitive yacht racing, logistics matter. That's why Zee Draak, a NED 70 motor yacht designed by Vripack, is proving to be a game-changer as a charterable regatta support vessel.

Built for range, comfort, and functionality, she offers something not widely available: a seriously good base for race teams, owners, and sponsors — with the versatility to switch from operations to entertaining with ease.

SERIOUS SUPPORT FOR SERIOUS RACING

Originally designed by Vripack for an experienced offshore sailor seeking a capable family cruiser, Zee Draak was engineered with a specific set of priorities: long-range cruising efficiency, shallow draft, stability in all conditions, and the ability to dry out on tidal flats. These same attributes make her ideal for regatta support.

- **STABLE PLATFORM FOR OPERATIONS**

Bilge keels and stabilisers ensure comfort at anchor and under way.

- **GENEROUS STORAGE**

Ideal for sails, spares, tools, and technical kit.

- **MULTIPLE DECK ZONES**

Flybridge, aft cockpit, and interior saloon for guests, owners, or support crew.

- **FUEL-EFFICIENT SEMI-DISPLACEMENT HULL**

Designed for extended use without unnecessary fuel burn.

She's already clocked passages like Amsterdam to Norway and back in a weekend — so Mediterranean coast-hopping between regattas is a breeze! With her highly efficient hull shape, she can cut like a knife through the Mediterranean chop ensuring you get there in peerless comfort & style no matter what Mother Nature throws at you.

AT THE REGATTA YOUR SHORE TEAM - AT SEA!

Use her as a **MOBILE BASE** for storing gear, sails, managing logistics, and coordinating the race schedule.

Set up for **BRIEFINGS, CREW REST, OR PRIVATE MEETINGS** on board between races.

ENTERTAIN OWNERS, FAMILIES, SPONSORS, AND GUESTS in a comfortable, well-appointed setting — close to the action but clear of the dock chaos.

HOST END-OF-REGATTA CELEBRATIONS, with relaxed, informal gatherings on deck and front-row views of the fireworks

Whether you're running a full race campaign or supporting an owner-skippered entry, Zee Draak functions as an efficient floating HQ: Few yachts offer this level of operational flexibility and comfort.

CRUISING CHARTER **THE RANGE ROVER OF THE SEA**

Outside of the racing calendar, Zee Draak is equally at home as a discerning cruising yacht. This unique aluminium yacht was custom designed & built in Holland for an experienced & discerning sailor to cruise the world with family & friends. Sleek lines & a low profile silhouette provides a great platform for an unforgettable day on the water.

Combining performance with her shallow draft and manoeuvrability gets you front row seats in the pristine turquoise cala & bays of the Balearics. Her fuel efficiency makes for brisk yet economic passages between islands for the more adventurous day trips. Fresh from a thorough refit over the winter, this unique yacht is available for day charter this summer in the Balearic Islands.
