

WALLY *One*

WALLY ONE is the first of the Wally Yachts line. Built in 1991, her design is still far ahead of her time, and revolutionized the world of superyachts. Since then, Wally Yachts have been renowned for their modern creations, with yachts ever more spectacular and high-performance.

WALLY ONE was, therefore, built as a luxury cruising yacht that could be enjoyed by families, with the performance capabilities of a maxi-yacht racer.

After an extended period in the shipyard in 2021/2022, WALLY ONE is now back on the charter market and benefitting from major interior and exterior refits. This legendary sailing yacht is ready to accommodate up to 6 guests with a crew of 4. WALLY ONE is the perfect yacht for family charters with a wide range of water activities and sports onboard.
